Elite Fence Products was established in 1986 and is family owned and operated. Elite manufactures aluminum fencing and gate products utilizing only the highest quality materials available. The management and sales staff is comprised of individuals that are highly experienced in all aspects of the fence installation and manufacturing industry.

Elite's entire product line features a powder coated finish that is applied in their manufacturing facility in Harrison Twp., Michigan. This powder coated finish is classified as "Super Durable" by the powder coating industry and is available in six standard colors. Its application is environmentally friendly and certified to meet and exceed Industry Standard AAMA 2604-05. Custom colors can be created to match your outdoor décor or architecture.

Elite's goal is to offer a superior product with unsurpassed customer service and reliability. All aluminum fencing and gate systems carry a limited-lifetime warranty, backed by a manufacturing company that is located in Harrison Twp., Michigan and bound to the standards the people of the United States expect and demand. Elite continues to design and engineer unique fencing products that are built to last. These fencing systems offer a solution to your project needs by enhancing the appearance of your property while protecting it at the same time. When you choose Elite Fence Products, your fencing project will be completed on time with high quality material.
